

Year 5

Term 2 Overview

Welcome back to Term 2. We hope you have had an enjoyable Easter break.

English: Engaging with information reports

Focus:

This term, students will read and compare a variety of informative texts, such as reports and digital articles, to understand how information is presented. They will explore how features like headings, visuals, and vocabulary help the reader. Using their research skills, students will plan and write their own informative texts with clear structure, detailed ideas, and technical language.

Students will:

- read, view and comprehend texts created to inform, influence and/or engage audiences
- explain how ideas are developed including through characters, settings and/or events, and how texts reflect contexts
- explain how characteristic text structures support the purpose of texts
- explain how language features, including literary devices, and visual features contribute to the effect and meaning of a text
- create written and/or multimodal texts, including literary texts, for particular purposes and audiences, developing and expanding on ideas with supporting details from topics or texts
- use paragraphs to organise, develop and link ideas
- use language features including complex sentences, tenses, topic-specific vocabulary and literary devices, and/or multimodal features
- spell using phonic, morphemic and grammatical knowledge

Assessment Tasks:

Reading and comprehension - Friday, **Week 9**
Writing and creating informative texts - **Weeks 8-9**

Mathematics

Focus:

Number and Algebra

- experiment with factors and multiples using algorithms and digital tools
- find unknowns in numerical equations involving multiplication and division
- use estimation strategies to check the reasonableness of calculations
- use mathematical modelling to solve financial and practical problems, with guidance, using natural numbers and operations, and report on insights and conclusions they reach about the context
- use proficiency with multiplication facts and efficient calculation strategies

Measurement

- apply an understanding of relationships to convert between 12- and 24- time

Assessment Tasks:

Number and mathematical modelling - Friday, **Week 8**
Measurement - Friday, **Week 8**

Science: Our place in the solar system

Focus:

In this unit students use describe the key features of our solar system including planets and stars. They discuss scientific developments that have affected people's lives and describe details of contributions to our knowledge of the solar system from a range of a people.

Students will:

- Describe the key features of our solar system.
- Discuss how scientific developments have affected people's loves, help us solve problems and how science knowledge develops from many people's contributions.
- Describe ways to improve the fairness of their investigations, and communicate their ideas and findings using multimodal texts.

Assessment Task: Exploration of the solar system - **Weeks 5-7**

HASS: Participating in Australian communities

Focus:

In Term 2, students will conduct an inquiry to answer the following inquiry question:
How have people enacted their values and perceptions about their community, other people and places, past and present?

Students will:

- Identify the importance of values and processes to Australia's democracy and describe the roles of different people in Australia's legal system.
- Describe different views on how to respond to an issue or challenge.
- Work with others to generate alterative responses to an issue or challenge and reflect on their learning to independently propose action, describing the possible effects of their proposed action.

Assessment Task: Participating in Australian communities - Friday, **Week 6**

Health and Physical Education

Focus:

Physical Education

Tchoukball- Students perform the specialised movement skills of throwing and catching in context of Tchoukball.

Assessment Task- Due Friday, **Week 9**

Health

Emotional interactions- Students recognise that emotions and behaviours influence how people interact. They understand that relationships are established and maintained by applying skills.

Assessment Task- Due Friday, **Week 8**

Media Arts- Light and Shadow

Focus:

During Semester 1, students explore the work of media artists and collaborate to create a stop motion animation using light and shadow to communicate mood and point of view for an audience.

Students will:

- explain how points of view, ideas and stories are shaped and portrayed in media artworks they make, share and view
- explain the purposes and audiences for media artworks made in different cultures, times and places. Describe how Design and Technologies contribute to meeting present and future needs.
- work collaboratively using technologies to make media artworks for specific audiences and purposes

Assessment Task– Friday, **Week 9**

Languages-Japanese

This semester in languages, students will explore the concept of names and the meanings they hold in Japan.

Assessment Task: What's in a name? - **Week 6**

Homework Expectations

Homework is used as a teaching and learning tool for your child to gain independence, responsibility and to further reinforce their in-class learning. Homework needs to be completed neatly and to the best of their ability. Please see your teacher for further details.

Important Information

- Please remember to **ALWAYS** bring a HAT to school. Please ensure that students have their hats labelled and at school everyday for sun safety.
- Remember to bring your water bottle every day; hydration is key!
- We love to have healthy bodies and minds at Brassall and encourage students to bring a healthy lunch each day. Students may also bring fruit or vegetables for morning fruit break.

Term 2 Key Dates

April

- **Prep Vision Screening**

Monday 20th –Tuesday 21st April

- **Anzac Day Ceremony**

Friday 24th April

- **Parent-Teacher Interviews**

Tuesday 28th –Wednesday 29th April

May

- **Labour Day Holiday**

Public holiday - school closed

Monday 4th May

- **Mother's Day Stall**

Wednesday 6th May

- **Ipswich Show Day**

Friday 15th May

Public holiday - school closed

June

- **School Photos**

Tuesday 3rd June– Wednesday 4th June

- **Senior Athletics Carnival**

Wednesday 17th – Thursday 18th June

- **End of Term 2**

Friday 26th June
