

Brassall State School Student Internet Access Agreement Form

For Parent and Student to read and complete

At Brassall State School children in Prep to Year 6 have access to the Internet. Children in Prep to Year 3 have access that is controlled by the educator (teacher or teacher aide). Children in Years 4 to 6 are required to read and sign the section below to acknowledge their responsibility when using the internet.

Parent / caregiver’s permission for use of Internet

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive. I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe (name of student) understands this responsibility, and **I hereby give permission** for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

I understand that this permission will remain for the time my child is a student at Brassall State School. I also understand that if circumstances change in the future and I wish to withdraw my consent, it is my responsibility to contact Brassall State School in writing and inform them of my wishes.

Student acknowledgement of Responsible Use of the Internet

I understand that the Internet can connect me to useful information stored on computers around the world. While I have access to the Internet:

- I will use it only for educational purposes.
- I will not look for anything that is illegal, dangerous or offensive.

If I accidentally come across something that is illegal, dangerous or offensive, I will:

- clear any offensive pictures or information from my screen; and
- immediately, quietly, inform my teacher.

I will not reveal home addresses or phone numbers - mine or anyone else’s. I will not use the Internet to annoy or offend anyone else. I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.
